

TOWN OF CLEVELAND

October 9, 2018 7 P.M.

I am here to support the setup of a TOWN OF CLEVELAND WEBSITE.  
The cost of \$1,500. 00 can be reduced to \$1,200.00 if the board signs up at the  
October WI Towns Association meeting. Also a 3 month service fee will be free.  
After this a monthly fee will be \$49.00.

I see only positive coming from this modernization .

More people can be up to date from the monthly minutes and more that Tanya  
will be able to post.

I can only hope this could spark an interest from our younger residents.

Seniors have mentioned even though they do not have a computer, neighbors  
and friends can print information.

The attached is a list of residents from our Town that would like the board to  
support and get the Website up.
