Booths set up by all of our partners to allow for 1 on 1 discussion

**Restoring and Preserving the Fenwood Creek Watershed**

You are invited to join Marathon County Conservation Department and all of their partners in a night dedicated to the Fenwood Creek Watershed. This night is designed to discuss some of the challenges facing the watershed and its water quality. Landowners who attend can expect to gain valuable information about different cost share programs and conservation practices that can be implemented into their current operations.

Please join us in our effort to improve the water quality of the watershed. With your help, we can **Move Fenwood Forward!**

Everyone Present will get a **FREE T-shirt!**

Fenwood Creek at Highway 153

**RSVP with Marathon County Conservation at 715-261-6000**
