- 1) Owners or designated agents of multiple-family dwellings shall do all of the following to recycle the materials specified in s. 1.11(5) through (15):
  - a) Provide adequate, separate containers for the recyclable program established under this section. The total volume of recycling containers shall be sufficient to avoid overflow during the time period between collection of materials and delivery to a recycling facility.

- i. The minimum total volume of recycling container space is equal to 20 gallons per week per dwelling unit.
  - ii. The ratio of trash container volume to recycling container volume is at most 2:1.
  - iii. An alternative method that does not result in the overflow of a recycling container during the time period between collection of materials and delivery to a recycling facility.
- b) Notify tenants in writing at the time of renting or leasing the dwelling and at least semi-annually thereafter about the established recycling program.
  - c) Provide for the collection of the materials separated from the solid waste by the tenants and the delivery of the materials to a recycling facility.
  - d) Notify tenants of reasons to reduce and recycle solid waste, which materials are collected, how to prepare the materials in order to meet the processing requirements, collection methods or sites, locations and hours of operation, and a contact person or company, including a name, address and telephone number.
- 2) The requirements specified in 1) do not apply to the owners or designated agents of multiple-family dwellings if the postconsumer waste generated within the dwelling is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in s. 1.11(5) through (15) from solid waste in as pure a form as is technically feasible.

**1.17 Responsibilities of Owners or Designated Agents of Non-Residential Facilities and Properties.**

- 1) Owners or designated agents of non-residential facilities and properties shall do all of the following to recycle the materials specified in s. 1.11(5) through (15):
- (a) Provide adequate, separate containers for the recyclable program established under this section. The total volume of recycling containers shall be sufficient to avoid overflow during the time period between collection of materials and delivery to a recycling facility.
  - (b) Notify in writing, at least semi-annually, all users, tenants and occupants of the properties about the established recycling program.
  - (c) Provide for the collection of the materials separated from the solid waste by the users, tenants and occupants and the delivery of the materials to a recycling facility.
  - (d) Notify users, tenants and occupants of reasons to reduce and recycle, which materials are collected, how to prepare materials in order to meet the processing requirements, collection methods or sites, locations and hours of operation, and a contact person or company, including a name, address and telephone number.
- 2) The requirements specified in 1) do not apply to the owners or designated agents of non-residential facilities and properties if the postconsumer waste generated within the facility or property is treated at a processing facility licensed by the Department of Natural Resources that recovers for recycling the materials specified in s. 1.11 (5) through (15) from solid waste in as pure a form as is technically feasible.

**1.18 Prohibitions on Disposal of Recyclable Materials Separated for Recycling.** No person may dispose of in a solid waste disposal facility or burn in a solid waste treatment facility any of the materials specified in s. 1.11 (5) through (15) which have been separated for recycling, except waste tires may be burned with energy recovery in a solid waste treatment facility.

**1.19 Enforcement.**

- 1) For the purpose of ascertaining compliance with the provisions of this ordinance, any authorized officer, employee or representative of the Town of Cleveland may inspect recyclable materials separated for recycling, postconsumer waste intended for disposal, recycling collection sites and facilities, collection vehicles, collection areas of multiple-family dwellings and non-residential facilities and properties, and any records relating to recycling activities, which shall be kept confidential when necessary to protect proprietary information. No person may refuse access to any authorized officer, employee or authorized representative of the Town of Cleveland who requests access for purposes of inspection, and who presents appropriate credentials. No person may obstruct, hamper, or interfere with such an inspection.
- 2) Any person who violates a provision of this ordinance may be issued a citation by the Town of Cleveland to collect forfeitures. The issuance of a citation shall not preclude proceeding under any other ordinance or law relating to the same or any other matter. Proceeding under any other ordinance or law relating to the same or any other matter shall not preclude the issuance of a citation under this paragraph.
- 3) Penalties for violating this ordinance may be assessed as follows:
  - (a) Any person who violates s. 1.18 may be required to forfeit \$50 for a first violation, \$200 for a second violation, and not more than \$2000 for a third or subsequent violation.
  - (b) Any person who violates a provision of this ordinance, except s. 1.18, may be required to forfeit not less than \$10 or more than \$1000 for each violation.
